Why Bidwan Classes ?

It is Saddening to note that education is at cross-road. Lack of quality teaching makes students directionless. The call of the hour is developing the teaching and learning atmosphere for better delivery of education. **BIDWAN CLASSES** aims at making the talent take a shape through consistent innovation and dynamic efforts. **BIDWAN CLASSES** is institutionalized to redefine education in technology-driven, a more interactive and highly productive manner.

Motto of Institute

Our Institute aims at quality education than quantitative words as words give illusion but action speaks the truth. A qualitative education makes one a valuable asset for the society as well as for the country in all means. We don't groom the parents by the garland of words but by the satisfaction of our work which had created an image of one of the best institutes in Berhampur, Ganjam, Odisha. Our Main motto is to give a value to the manpower of our country with excellent education to fight the world of pessimism morally and always be ready to serve for the mankind through their knowledge and integrity. We are providing the best coaching for **+2 Science** and entrance oriented coaching for **NEET/NDA/IIT** aspirants. We nurture each and every pupil morally, logically and conceptually and fuel their potentially to achieve more higher in their career.

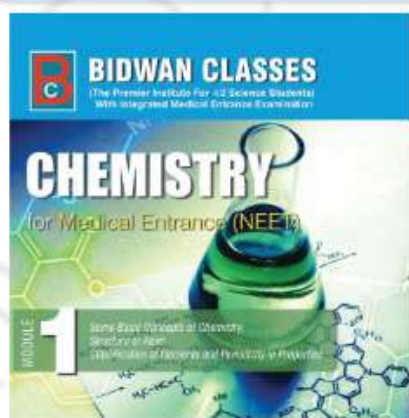

About Us

Our institute always try to make the student feel a homely environment to study in well groomed classes and with best teaching infrastructure where he or she can easily interact with the teachers and sort out his/her problems and build a better career to step ahead. We are having a pool of well-experienced and cooperative faculty staff, which is always ready to help students in any manner possible for their overall growth.

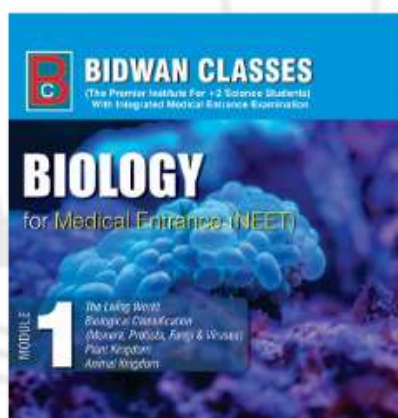

Key Advantages :

- Unique 30" is a special feature of our institute that is BIDWAN CLASSES which is modeled after the core policy of the institute.
- Grooming them personally under the supervision of the experts throughtout the year is our primary focus.
- Batch size is restricted to 30 only for the better delivery teaching and learning activities.
- We have an experienced and dedicated pool of faculties for all individual subjects.
- Entrance oriented coaching (for IIT/NDA/NEET/Medical).
- Well furnished air conditioned classes are available for all the students.
- Library and reading room facility is available.
- Every class is maintained under the CCTV surveillance.
- Hostel Facilities are available for students.
- NTA Certified basis material.
